

Colorado Public Health Association

Public Policy Committee

Presents

Early Session Colorado Legislation

Event:

This event will provide a review of public health-related bills introduced in the Colorado legislature. Participants will learn about proposed legislation on topics such as access to comprehensive health and mental health services, promoting health equity, healthy eating and active living, tobacco prevention and cessation, and environmental issues including air and water quality and addressing climate change. Attendees will discuss and help determine CPHA's position on pending legislation.

Legislative information provided by CPHA's legislative consultant:
Diana Protopapa, Partner, Frontline Public Affairs
